You can safely attend our courses

The assembly ban of maximum 10 people in Denmark does not apply to meetings and other events where participants are "primarily seated". Therefore, we continue to host all courses, educations, and the like.

We carefully follow the authorities' recommendations regarding COVID-19 and we have implemented the following measures:

The classes take place in large rooms with a minimum distance of 1 meter between each chair

The classroom is thoroughly cleaned

Everyone must wear a mask when not seated

Everyone must regularly wash hands and use hand sanitizer

Lunch will be served in individual portions

Our guidelines were last updated on October 26, 2020. Read more about the guidelines [here](#).
