

PRINCE2[®] Practitioner

Become a strong future project manager

With PRINCE2[®] Practitioner, you will build on your project management training in PRINCE2[®] Foundation. As a project manager, you will be certified as a "Registered PRINCE2[®] Practitioner" once you have passed the exam. In addition to preparing you for the PRINCE2[®] exam, the course will expand your project management skills and we will review the theory through various learning methods.

You will practise using the method and answering exam questions – both individually and in groups. If you wish to fully utilise the PRINCE2[®] method, this course is for you.

The PRINCE2[®]-method

PRINCE2[®] is a best practice project management method which ensures that the project organization is set from the beginning of the project, as well as all roles and responsibility in the management team, is decided and visible. The method consists of a process model, whose purpose is to guide the project management through all processes necessary to ensure that the project delivers the result that can provide the expected outcome. The main pillar in the method is therefore to ensure the commercial outcome.

Who takes part?

Project managers of projects conducted according to the PRINCE2[®] method, or project managers who collaborate closely with clients or suppliers who use the method. You must have solid knowledge of the PRINCE2[®] method and either have passed the Foundation exam or be IPMA[®] A-, B-, C- or D-certified or PMI[®] PMP- or CAPM-certified.

The course is aimed at individuals who wish to be examined as a "Registered PRINCE2[®] Practitioner" to enable them to fully apply the method, or individuals who passed the PRINCE2[®] Practitioner exam more than 3 years ago and now wish to keep their status as Registered PRINCE2[®] Practitioner.

On the course you will work on:

A brief recap of the processes and components of PRINCE2® Training
Implementing the method on different project scenarios
Risk management
Product-based planning
Quality
Change management
Configuration management
Tips and advice for the exam

Practical learning method

This course is a 2-day course that requires preparation before the course begins and 2–3 hours of homework in the evenings during the course. On the first 1½ days of the course, we will review the required theory and you will practise answering exam questions individually and in groups. On the second day of the course, you will sit the official PRINCE2® Practitioner exam in the afternoon.

We will use various exciting learning methods on the course to ensure variation and optimum learning. As a crucial part of preparing to pass the exam, you will be given individual assignments, which you are to complete in the evenings during the course.

Mannaz is an accredited PRINCE2® training organisation (ATO) approved by PeopleCert on behalf of AXELOS, who administers PRINCE2®. All material is also accredited by PeopleCert. The course and the exam will be conducted in English.

Preparation

As part of the course, you are expected to prepare in the form of test exams and problem-solving.

Furthermore, you must set aside time to re-read all or parts of the PRINCE2® manual, so that you are 100% up to date on the theory.

It is important that you prepare before the start of the course to benefit as much as possible from the course and to be as well prepared for the exam as possible.

If you have not passed the official PRINCE2® Foundation examination, but are certified at IPMA® A-, B-, C- or D level or PMI® PMP- or CAPM level, you are required to fully master the PRINCE2® theory's principles and processes in order to participate.

Examination

Examination format:

Multiple choice

68 questions, 1 point per right answer

38 marks or more required to pass (out of 68 available): approximately 55%

Two-and-a-half hours¹ (150 minutes) duration, if English is your native language, 3 hours and 8 minutes (188 minutes) duration, if English is not your native language, no additional reading time

You are allowed to use your PRINCE2®-manual, but no additional notes are allowed

Formulation, as well as the direction of the exam, is created by PeopleCert on behalf of AXELOS, who administrates PRINCE2®.

If you pass the exam, you will receive an electronic PRINCE2® Practitioner certificate directly from PeopleCert.

Certification Expiry Date

Your PRINCE2® Practitioner certificate is valid for three years. To demonstrate your continued competences within the are, you can either take the Practitioner exam again before the expiration date or maintain your certification through CPD-points and a digital badge.

If you choose the CPD-route, you can purchase a subscription to [My PRINCE2](#), which costs £ 50 +VAT every year. Here you must meet the following criteria within the three-year period:

Subscribe to My PRINCE2 within three months of passing your exam and remain subscribed for the three-year period by renewing the subscription each year.

Maintain your PRINCE2 digital badge which will be awarded as part of My PRINCE2 for the three-year period. You will need to record 20 CPD points each year, in the prescribed categories, for the badge to be extended on renewal.

By satisfying the above criteria you will be issued a new certificate that is valid for a further three years.

One year's subscription to My PRINCE2 is included with your PRINCE2 Practitioner certificate.
