# PROJECT MANAGEMENT EXAM

The Project Management Exam concludes [Mannaz Project Management Programme](#) and tests the knowledge and practical know-how you have gained from the programme.

The Project Management Exam is a three-hour written exam where you will demonstrate the knowledge you have acquired about project management.

The Project Management Exam is split into three parts, in which you will be given multiple-choice questions, asked to provide substantiated solutions to questions and asked to demonstrate your ability to assess a situation, choose a general method and solve a problem related to project management.

## Participant Profile

---

Prior participation on the following courses are mandatory in order for you to take the exam:

- 🕒 [Project Management 1](#) – Overview, content, method (or similar\*)
- 🕒 [Project Management 2](#) – Team management, commitment, project start-up
- 🕒 [Project Management 3](#) – Implementation, results
- 🕒 [Project Management 4](#) – You as a project manager

\*If you already possess knowledge similar to Project Management 1, you are not required to complete this course.

# Examination structure and content

---

The examination is online – the duration is 3 hours.

**The examination shows that you:**

- 🕒 Have gained an overview of the many aspects of project management
- 🕒 Are able to handle situations from a holistic perspective
- 🕒 Are able to choose a substantiated project management method
- 🕒 Are able to apply project management methods, techniques and tools

## *ABOUT THE EXAM*

The Project Management Exam is a three-hour, closed-book online test that must be taken within one year of completing your final project management course. If you do not pass, you may retake the exam within the same one-year period.

The exam consists of three parts:

- 🕒 **Part 1:** Multiple-choice questions
- 🕒 **Part 2:** Questions requiring substantiated written answers
- 🕒 **Part 3:** Scenario-based questions assessing your ability to choose an approach and solve a problem
